

# RIO TRISTANTO

- GRAPHIC DESIGNER
- ILLUSTRATOR
- UI/UX DESIGNER

## PROFIL

I am a visual communication design student, with a focus on the creative field, particularly in graphic design and illustration. I have an understanding of current design trends. I prioritize time management and pay attention to details to achieve the goals and targets of projects.

## EXPERIENCE

### Exhibition Illustrator for Olympus 3.0 Final Project at ITEBA

- Creating character designs needed for the exhibition as mascots and exhibition identity
- Designing exhibition merchandise (stickers, tote bags, pins, keychains, character standees)
- Creating design assets for social media and print media purposes
- Actively collaborating and brainstorming to solve problems
- Implementing necessary revisions from the division leader to achieve optimal and timely results

### Branding Project From @brand.brief

- I am capable of understanding a brief and then executing it into a design or branding
- I understand the stages and processes involved in creating branding
- I am able to create attractive layouts

### Experience in the Food Product Packaging Training, Batch 1, 2023, organized by Balai Diklat Industri Padang

- Following Work Procedures of Maintaining Good Processing Practices (GMP
- Following the Procedure for Maintaining Occupational Health and Safety
- Applying Design Concepts), (Making Packaging Graphic Designs
- Choosing Methods, Packaging Materials and Packaging Tools
- Operating the Packaging Process
